

The latest addition to the cosmopolitan city of Limassol, located on the southern coast of Cyprus, is the brand-new ultra-luxury 5-star AMARA designed by SB Architects and David Rockwell Studio.

Each of the 207 artfully appointed rooms and suites, the largest on the island, give unobstructed 180° panoramic views of the Mediterranean Sea.

Among a selection of spacious rooms, suites and seafront bungalows, featuring unparalleled comfort and high tech in-room facilities, the hotel also boasts two world-class restaurants headed by prominent celebrity chefs (Nobu Matsuhisa and Giorgio Locatelli), the first contemporary and chic rooftop bar on the coastline and a spacious pillar-free ballroom with private entrance and state-of-the-art audio-visual equipment. Each restaurant combines lighting, music, colours and textures to express its own singular sense of place.

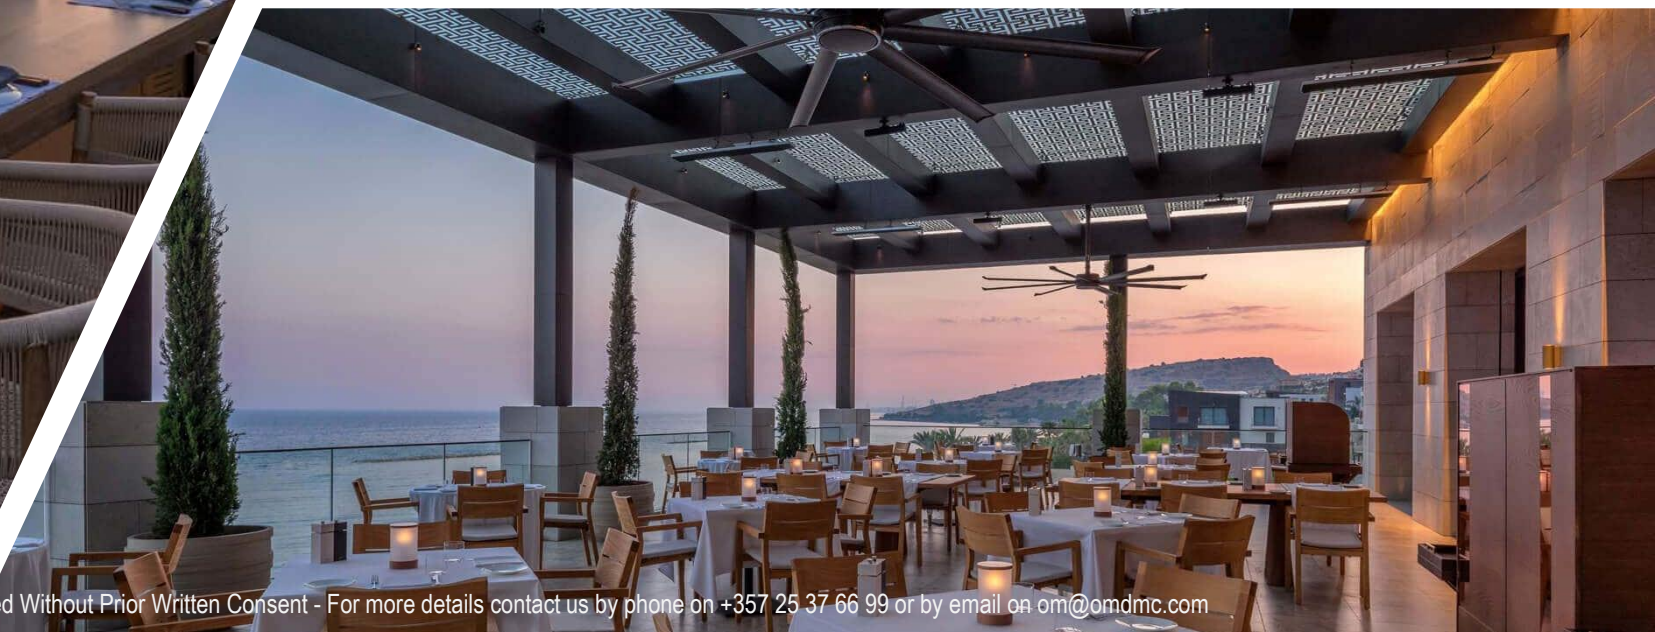

Named after the ancient Greek word Amarantos, meaning “everlasting”, the AMARA aims to offer its guests an exclusive and unique experience that will create wonderful and permanent memories.
