

The Parklane resort & spa is located on extensive grounds by the beach and it is 15 kilometers away from the cosmopolitan town of Limassol. Radiating across 85.5k m2 of thoughtfully-crafted landscape, it hails as the only upscale international brand with an elevated and varied offering, for both business and leisure guests, as yet unseen on the island.

The diversity of accommodation extends from family-friendly to adult-only, with a choice of rooms and suites, some with private pools. Total number of rooms is 274. Some of the room facilities include individual air conditioning, flat Screen television, in-room safe, mini bar, phone, a signature luxury collection bed and a front sea view.

Of the three generously-sized pools, one is seawater, another caters for adults only and each is populated by cabanas, poolside dining and sun loungers. A comprehensive resort, Parklane appeals to myriad tastes. Housing five distinct restaurants and two bars, it also has unmatched meeting facilities, including a vast 800m2 ballroom, imaginative Park Kidz club, transformative Kalloni SPA with 14 treatment rooms and a 300-meter long sandy beach.

Parklane is a multidimensional setting that is both immersive and personalized, redefining the art of living while retaining the historic resonance of the island.
