

Map Hotel is a modern boutique hotel, right in the center of Nicosia, the island's capital which caters for both business and pleasure. Each of the hotel's bright and airy guest rooms, with a minimalist design, come with high-speed internet access, with all the superior amenities and views of the city. The hotel also offers 24 hour front desk, an excellent Spa, a Gym and a gourmet high-end restaurant. Map makes sure you've got all you need to conquer the day – from a comfy bed, to the best trainers in the city, to a lively restaurant where days and deals are celebrated over a cocktail and creative food. No matter what route your day takes, when you arrive at MAP you've arrived at a place designed with style and powered by possibilities.

The hotel's rooms have been designed with minimalistic comfort – offering everything you need and nothing you don't. Driven by technology, every feature of our spacious, contemporary rooms and suites is fully integrated with your phone. Adjust the temperature, peruse the menu, dim the lights, or slide open the curtains to reveal the stunning view of the iconic Venetian Wall, all from the comfort of your luxury Coco-Mat mattresses.

The Scale restaurant, offering modern Mediterranean cuisine, was designed to appeal to every taste and mark every occasion, combined with the region's finest wines and signature cocktails. This culinary dining experience will transform your breakfast, lunch and dinner into daily snapshots of the island's exuberant culture.

The Legend Spa offers a wide variety of treatments such as deep-tissue massages and hydrating skin facials, offered by the hotel's highly trained wellness therapists. Total number of rooms is 30.
