

Located in Sithonia, Halkidiki, the Resort occupies one of the finest sandy beaches in Greece and resides within thriving Mediterranean gardens where vibrant native flowers compete with the shiny marble-laid estates. Wrapped in warmhearted Family-atmosphere and high-end services one is right at Home in uniquely designed Suites and Villas of exceptional grace and luxe living standards, three Restaurants ranging from award-winning Gourmet to the Mediterranean, one of Europe's largest Wine Collections, serene SPA and Private Beach Cabanas to effortlessly let the calm rise in the lavender-induced sea air.

Ever since the Owners Mrs Danai and Mr Otto Riefenstahl had opened their Home to travellers, they continue to perfect their now 60 individually designed luxe accommodations during the annual Winter recess. Each Suite or Villas is regularly revisited by the couple, re-decorated with hand-picked furnishings, and renewed with exquisite taste and distinct materials.

The Suites & Villas collection is composed of elegant living space for Two, Family & Interconnected Suites as well as gracious Villas with up to four Bedrooms. Total number of rooms: 70
